

Can You Help?

Life4Kids Canada continues to bear a large share of the costs of the home in Nairobi Kenya. The boys are back in school for a new term. Tuition fees had to be paid. Life4Kids Canada paid over \$18,000 for September costs (more than 85% of total). While costs are skyrocketing, we have not received additional donations. Can you help?

Trip to Kenya

Thirteen of us will be travelling to Kenya at the end of October. Our mission is to build a library and computer lab in the home for the boys. Materials costing over \$10,000 must be bought there. Please consider donating.

Dedication of the Library/Computer Lab

We intend to name the library/computer lab in honour of the late Pastor Martin Giebel, a former Director of Life4Kids Canada.

Clothing for the Boys

If you have some gently used clean clothes (t-shirts, shorts, sweatshirts, running shoes, flip flops, sandals, etc.) for boys aged 4 to 18, please contact fred@itvision.ca and we'll arrange to pick up and deliver to Kenya.

Sponsorships

While the actual cost of operating the home is more than \$5,000 per boy, we calculate the incremental cost (i.e. costs specific to one boy) to be \$2,040 per annum per boy. We have had Canadian sponsors for all the boys (and thanks to each of you!). Due to personal circumstances, two of our sponsors have had to step away from their sponsorship. We thank them for their support. But now we need two new sponsors. If you can help, or know someone who can, contact fred@itvision.ca
