

Boys Back to School

The holiday season school break ended in mid- January and there was great excitement at the Life4Kids home.

The 3 youngest started school.

And three boys started Junior High School.

Economic Challenges in Kenya

Jane reports that problems in Kenya are worsening with significantly increased poverty levels, particularly in urban areas.

How Does Our Garden Grow

You may recall that one of the goals of the mission trip to Kenya to visit Life4Kids in the late fall was to plant a garden to aid in self-sufficiency at the home. The garden is prospering and providing fruits and vegetables to the home.

Zoom Call with Jane

Our last Zoom call for supporters to chat with Jane was very successful and we had a great visit with Jane and with some of the boys. We are setting up another call for February 22 at 10 am, hoping this will be convenient for many. Jane has promised to have 15 little boys available to chat with us. Please email fred@itvision.ca to join the Zoom call.

A Special YouTube video from Life4Kids

Higher Education

Four boys are pursuing higher education with two in university and two in college.

New Freezer / New Bikes

There are many ways to help the boys at Life4Kids. One of our Life4Kids supporters bought a freezer for the home .

Another supporter bought 8 bikes for the boys (in different sizes for different ages).

Message from Jane

Our CEO in Kenya, Jane Wasike, wrote this:

"On behalf of the children and staff at Life4Kids, I would like to extend our heartfelt gratitude to our sponsors and partners. Your continued generosity and dedication are the foundation of our success. You are a source of hope to these boys and a powerful reminder that kindness and compassion still prevail in the world. Thank you for making a lasting difference in their lives."
