

## Prayers for Jane

Our Life4Kids Executive Director, Jane Wasike, has been hospitalized with typhoid. She apparently contracted it while bringing new boys into the home. Join us in praying for Jane's complete recovery to good health.

## New Boys

Three more little boys joined the Life4Kids family in the past few days. They have had incredibly sad lives until now. Because they have been living on the street, socialization is a challenge and the Life4Kids staff members are working extremely hard to prepare them for school in August.

## Schooling Update

After being closed for COVID-19, schools have reopened. Most of the boys are back in school. Five of the newest boys will not start school until August. Two boys will start high school next year and four more will be in high school in two years. Another boy has finished high school and will attend college in August. We now have twenty-four young boys in the house and eleven big boys in school. As the boys progress with their education, costs mount.

## Sponsorships

There are now twenty-four little boys living in the main home and ten big boys off attending school.

We have twenty-two of the little boys sponsored. If you have an interest in sponsoring one of our boys, the cost is \$170 per month. We have some co-sponsors of a boy. Contact us if you are interested.

## YouTube Channel

Life4Kids Canada now has its own YouTube channel. Check it out at [Life4Kids Videos - YouTube](https://www.youtube.com/Life4KidsVideos)

## Our Little Blessing

Our youngest boy is three years old. He's a charmer. The owner of a private school gave him the opportunity to play in "baby class" without charge. He wants to start learning in July. He is shown in his little school uniform.

## Meet Bill Goman

Bill is a Director of Life4Kids Canada. He is our IT guy who manages our web page, our database, our YouTube channel and who produces this Journal. Bill is one of those special community-minded volunteers who is supportive of many organizations and institutions in Midland. Among his interests are Huronia Players and the Midland Bay Sailing Club.
