

You CAN Make a Difference! YOU Can Make a Difference!

Life4Kids is reaching out to YOU for support. There are so many needs. PLEASE take the time to have a look at how you can help.

Give monthly. Give annually. Give one time.

Life4Kids is a small home for homeless and abandoned boys just outside Nairobi. We rescue boys from the streets and dumps of Nairobi. Some of these boys have never slept in a bed. Some have never eaten clean food. They have worn rags for clothing. They have lived in a world of deprivation, despair and destitution. Their needs are simple. Most of all – they need to feel LOVED.

You can make a statement by giving globally. You can impact a boy's life forever.

You don't need to be rich to help them!

Give what you can. Help change a life!

Here are a number of ways in which you can improve the lives of more than two dozen boys in Nairobi Kenya ... and provide a foundation for bringing more boys into the home.
