

## Canada House

As you will be aware, the new home in Kenya was purchased entirely with funds donated by Canadian supporters of Life4Kids. In recognition of the generosity of Canadian supporters, the Board of Life4Kids in Kenya has named the home "Canada House".

## Update on the Boys

The Life4Kids boys are approaching the end of the first school term and preparing for their well-deserved one-month holiday. Our Life4Kids Kenya CEO reports, *"We are grateful to see a growing culture of discipline and academic excellence among the boys, greatly supported by our library facilities, and the garden which have become essential resources for their learning."*

## Success Stories

We are thrilled to celebrate the achievements of some of the Life4Kids young men:

- **Patrick's Graduation:** One of our older boys, Patrick, graduated on March 28 with a Diploma in Social Work. This milestone is a testament to the unwavering support from our sponsors and partners. Patrick is shown in the attached photo with Mike, one of our Life4Kids former boys who is now a respected policemen in Kenya.

- **Kennedy's New Opportunity:** Kennedy has successfully obtained his motorcycle driving licence, completing a short vocational course that will enable him to secure employment as a delivery rider.

- **Jackson's Career Path:** Jackson has recently completed a course in caregiving and nursing assistance. He is set to graduate in July, and we look forward to seeing him step into a meaningful career of service and compassion. Together, we are shaping bright futures.

- **Brian's Achievement:** Brian, one of our Life4Kids boys, is now in university on a scholarship, Brian recently won a silver medal in a karate competition We are very proud!

## Watch for It!

We are going to be introducing some new ways to support Life4Kids Canada. Here's the reality: every month we must

send thousands of dollars to Kenya to support the home and the boys. And you can help by supporting some of our activities. We'll introduce a list of things you can

support, from as little as \$25. The picture shows three boys on bikes donated by one of our Canadian supporters. What can you do to support the boys?
