

Update on Life4Kids: Stories of Love, Transformation, and Hope

As we step into October, we continue to witness the incredible power of love, care, and commitment in transforming lives at Life4Kids. Each month brings new stories of hope. This month, we celebrate **Peter**, one of our longest-serving team members, and spotlight the inspiring journey of **Rabin**, one of our bright young boys.

While most of our financial support comes from Simcoe County and Muskoka in Ontario, we are blessed to have supporters elsewhere in Canada and abroad. See message from Nova Scotian supporters below.

Child Spotlight – Rabin’s Journey

This month we honour another one of our boys, **Rabin**. Life4Kids rescued Rabin when he was just four years old (see picture of Rabin in dump in slum). At that time, he was nearly shattered by the harsh realities of the streets. Rabin is now in Grade 2 and is a polite and brilliant young boy who excels in his academics. He is curious, eager to learn, and kind-hearted toward his peers. His cheerful nature makes him a friend to many. His story

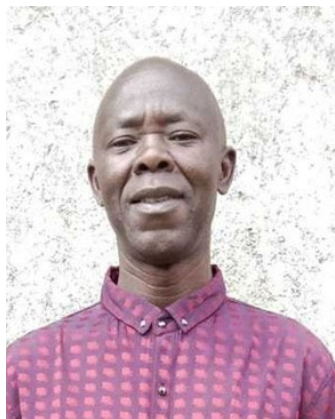

is one of transformation. From the struggles of survival to thriving in a loving and stable home, Rabin’s life reflects the purpose of Life4Kids. His journey reminds us of why we do what we do: to give every child the chance to grow, dream, and succeed.

Staff Spotlight – Peter – A Pillar of Healing

This October, we are delighted to shine a light on one of our most dedicated team members – Peter. Peter has

been faithfully serving at Life4Kids since 2013 as our therapist. His work is at the very heart of our mission, helping both the boys and our staff to find healing, strength, and hope. Many of our children carry deep wounds from their years on the streets; years marked by rejection, fear, and loneliness. He is

professional, compassionate, and wise. Peter provides counseling and guidance that restores broken hearts and builds trust. Over the years, we have witnessed countless transformations through his care. The boys grow in confidence, learn to trust again, and embrace life with new courage. Peter is also a devoted husband and father, and his values of love and family are evident in the way he nurtures the boys. His passion for helping them succeed has made him an irreplaceable part of the Life4Kids family. We are truly grateful for his service and the hope he brings every day.

What Our Supporters Say

Nova Scotian supporters sent this message:

We support Life4Kids to help those who are in urgent need by sharing the abundance of our own blessings. Things that we tend to take for granted are lacking for some; basics like love, security, food, health, and education.... guidance in faith. Life4Kids provides all of this.

Being a part of something global is fruitful and encouraging. Working together we make a difference, and it is rewarding to see the positive results. Every child is deserving. We are amazed and grateful for how the Lord has provided in great times of need for the home.
