## Video from Kenya Trip

If you were unable to attend the January 14 event when the 11 travellers to the Life4Kids Home in Kenya talked about their experience, you can now watch that program on YouTube here: <https://youtu.be/gEFdb3zlyOA>

## Zoom with Kenya

On Saturday, February 22, we had a wonderful Zoom call visit with Life4Kids CEO Jane, and with 15 of the boys (Nelson, Victor, Arnold, Kings, Blessing, John, Rabin, Emmanuel, Samson, Jeremy, Paul, Ramadhan, Lawrence, Telvin, & Robin). You can now watch a YouTube video here: [https://www.youtube.com/watch?v=8awDf4R\\_zcY](https://www.youtube.com/watch?v=8awDf4R_zcY)

## How Does Our Garden Grow?

## Economic Challenges

Kenya is experiencing severe economic issues. Families are struggling to provide basic necessities. Poverty is rampant. There is also a challenge with the healthcare system. The medical insurance system is ineffectual. So Life4Kids must pay for health care (in addition to insurance premiums). This adds a burden to the budget.

## Education Update

We are now supporting 15 boys in Primary School, 6 in Junior High, 10 in High School, and 4 in Post Secondary.

CEO Jane has reported that she has seen a significant improvement in the grades of the boys, especially among those who frequently use the new library funded by Canadian donations. Another supporter bought 8 bikes for the boys (in different sizes for different ages).

## Gratitude from CEO Jane in Kenya

"Your love, generosity and willingness to support us enables us to maintain quality care and education for our children. I extend my deepest gratitude to our sponsors and partners for your unswerving support. Life4Kids would not exist without you."
