Message From Jane About Her Visit

"I would like to take this opportunity to express my deepest and most heartfelt gratitude to the Life4Kids Canada team for inviting me to Canada and making it possible for me to visit and meet our supporters, friends, and partners in person. Thank you for creating this opportunity for me to come and personally share the story of Life4Kids, the challenges we face, the progress we have made, and, most importantly, the lives of the boys we serve. For many years, you have stood alongside Life4Kids from a distance, believing in the mission and continuing to support the boys. Being able to come to Canada, meet you, and speak

directly with the people who have helped make this work possible is very meaningful to me. I hope my visit will not only strengthen our relationship but help more people understand the reality of the work we are doing here in Kenya and the difference that our support can make in the life of a child."

To Our Sponsors, Partners and Friends:

Life4Kids would not be where it is today without each person who has chosen to stand with us. Over the years, you have stood in solidarity with vulnerable children and with the people working every day to give them a better future. You have supported us through difficult seasons; celebrated with us when a boy succeeds; helped when there were urgent needs. Our sponsors have contributed toward education, food, clothing, housing, and school requirements. Your support has allowed us to keep our doors open. It has allowed us to say **yes** when a homeless boy needs a safe place.

Three Ways to Help:

1. Sponsor a boy.
2. Give monthly. The steadiest way to support a boy.
3. Make a one-time gift. Visit the [Jane in Canada](#) page on the Life4Kids Canada website.
