Heartfelt Thank You From Life4Kids Kenya – Jane Wasike

To Our Wonderful Supporters, Friends, Partners, and the Life4Kids Canada Board.

As I reflect on my time in Canada, my heart is overflowing with gratitude. This visit has been so much more than an opportunity to meet people; it has been a deeply moving experience of love, connection, encouragement, and renewed hope. I have had the privilege of meeting the wonderful people whose kindness, generosity, and unwavering commitment continue to make the work of Life4Kids Kenya possible. Words alone cannot fully express what this experience has meant to me. Every warm welcome, every meaningful conversation, every embrace, every gathering, and every moment you have given me has touched my heart in ways I will carry with me for a very long time.

Thank you for opening your hearts, making time for me, and welcoming me as part of your lives. To everyone who attended our events, travelled to meet me, listened to the stories of our boys, encouraged me, and reaffirmed your commitment to Life4Kids, please know that your kindness has left a lasting impression on my heart. You have reminded me that this journey is not ours to walk alone.

To the Life4Kids Canada Board, please accept my deepest appreciation for your leadership, dedication, sacrifices, and steadfast commitment to our shared vision. I recognize that much of your work happens quietly, behind the scenes, through countless hours of service, difficult decisions, planning, and a genuine desire to see our boys succeed. Your commitment extends far beyond the responsibilities of a board; it reflects a shared belief that every boy deserves safety, opportunity, and the chance to build a better future. I am deeply grateful to walk this journey alongside you.

A very special and heartfelt thank you to Fred Hacker, our Life4Kids Canada Director, for your exceptional leadership, generosity, and the effort you have invested in making this visit possible. Thank you for bringing people together, creating opportunities for our story to be heard, and helping our supporters see the work, the progress, and the lives behind our mission. Your commitment has made this experience possible, and I am sincerely grateful for the care and thoughtfulness you have shown throughout my visit.

To every supporter, partner, and friend who has stood with Life4Kids over the years, I want you to know that your support means far more than words can ever convey. It is more than a donation, a contribution, or a helping hand. It is a child finding a safe place to sleep. It is a boy returning to school with the opportunity to learn. It is a young person discovering his talents, receiving guidance, healing from painful experiences, and beginning to believe that his future can be different from his past.

Behind every boy at Life4Kids is a story. Some of these stories began with abandonment, rejection, uncertainty, and hardship. Yet, through your compassion and commitment, new chapters are being written, chapters filled with belonging, education, healing, personal growth, and hope. You may not always see the full impact of what you give, but please believe me when I say that your kindness is helping to change the direction of young lives. The opportunities our boys have today are part of the legacy you are helping to build.

As the Executive Director of Life4Kids Kenya, I carry a responsibility that is deeply personal to me. I have the privilege of walking alongside these boys, nurturing their growth, guiding our dedicated staff, and working to ensure that every child entrusted to our care has the opportunity to become a confident, responsible, and independent young man. This work is beautiful, but it is not always easy.

Meeting you in person has reminded me why we must keep going. Seeing your genuine interest, hearing your encouraging words, and experiencing your continued commitment have strengthened my heart and renewed my determination. I return to Kenya with precious memories, a deeper appreciation for our Life4Kids family, and fresh inspiration to continue serving our boys with love, dedication, and purpose.

With profound gratitude, heartfelt appreciation, and warmest regards,
Jane Nanzala Wasike, Executive Director,
Life4Kids Kenya.
